# DESIGNING A PATH

**‘Every inch of a path has been designed’**

**are desire paths the lack of design?**

**natural vs made.**

**prestine vs wild.**

**LIMITS**  
**SEEING SOULS**

**What people do to everyday**

**our environment shapes our day.  
bad surroundings = bad habits**

**What everyday does to people**

**THE ORDER OF DISORDER  
SEEING ABSURDLY**

**'order and disorder co-exist'  
day to day carries on**

**even if your a mess**

**what do I enjoy?**

**what do I value?**

**SEEING IMMINENTLY  
TRYING TO FIND MYSELF**
